Thursday, 26 February 2004

The No. 3 Penn State men's fencing team and the No. 2 women's squad will close out their regular seasons at home this Saturday with a dual versus Rutgers scheduled for 1 p.m. in the White Building. The men will be looking to finish at 12-2 for the season, while the women will attempt to finish at 14-2.

The Nittany Lion individuals will try to take advantage of one final opportunity to bolster their records and improve their seedings for the Mid-Atlantic/South Regionals on March 13. A fencer's seeding at the Regionals counts for 40% of his or her qualification for the upcoming NCAA Championships.
