Valentina Vezzali has won more world cup golds than any other fencer. In 2006, her teammate Margherita Granbassi defeated Valentina Vezzali for the world championship. Now, they meet again in the 2007 gold medal bout.

Is this a preview for the 2008 Olympic Gold Medal bout? They will face stiff competition from fencers from Hungary, Russia, Poland as well as the US team featuring Emily Cross, currently ranked 8th.
